Now and next in policy

Levelling the land

"Levelling Up" White Paper due soon. Flesh on the bones of political rhetoric. Tension between place and personal.

WONKHE | JANUARY 2022

Augar and everything after

A discrete response, possibly rolling in other HE measures (eg PQA) Rebalancing HE and FE/Skills. Unprecedented intervention in curricula, course offer, and admissions.

Better living through chemistry

Legislation underway for local skills planning and modular lifelong learning (the latter to be presented in a new bill following consultation).

New forms

REF2O22 – results published May 2O22, will lead to research allocations changing and reputational changes. Clarity on Horizon Europe. ARIA starts working. R&D people and culture, other reviews of research
