

# Themes for Student Futures

Support for students  
before they reach university

A clear outline of the teaching students will receive  
and the necessary tools to access it

An induction into university life  
for each year of study

Activities inside and outside the curriculum  
that build skills, networks and communities

Support for mental health  
and wellbeing

A clear pathway towards  
graduate outcomes

# “The future is not what it used to be...”
